

Repair document

To get your tent repaired, please send us this completed form in advance along with some pictures of the damage.

We will contact you to schedule the repair.

Please note the following before bringing your tent in:

- Make sure your tent is completely dry and clean.
- Mark on the tent with chalk or removable tape where the tent needs to be repaired.
- Only bring the parts that need to be repaired.
- Include a copy of this completed document with your tent.
